**ORDINANCE BH-1-06**

**AN ORDINANCE AMENDING THE REGULATIONS OF THE BOARD OF HEALTH  
OF THE TOWNSHIP OF CHATHAM, IN THE COUNTY OF MORRIS, NEW JERSEY,  
RESPECTING THE CONSTRUCTION, LOCATION, USE AND DECOMMISSIONING  
OF INDIVIDUAL WATER SUPPLY SYSTEMS WITHIN THE TOWNSHIP, AND  
PROVIDING PENALTIES FOR THE VIOLATION THEREOF**

**BE IT ORDAINED** by the Board of Health of the Township of Chatham, in the County of Morris, State of New Jersey, as follows:

1. Chapter 9, Fees, Violations and Penalties of Ordinance BH-1-05 adopted May 10, 2005 by the Board of Health of the Township of Chatham, in the County of Morris, State of New Jersey for the purpose of establishing certain regulations concerning individual water supply systems, is hereby further amended so that said chapter shall read in its entirety, as follows:

**CHAPTER 9: FEES, VIOLATIONS AND PENALTIES**

9.1 For the filing of an application and plans for the issuance of a permit to locate and construct a new water supply system, the fee shall be \$200.00, plus, if applicable, the cost to the Department of Health of initial water supply testing. The permit shall be valid for one year from the date of issuance, but may be renewed upon payment of an annual renewal fee of \$25. No permit may be renewed more than four times.

9.2 For the filing of an application and plans for the issuance of a permit to alter an existing water supply system, the fee shall be \$50, plus, if applicable, the cost to the Department of Health of the initial water supply testing. The permit shall be valid for one year from the date of issuance, but may be renewed upon payment of an annual renewal fee of \$25. No permit may be renewed more than

four times.

9.3 For each re-inspection of a water supply or part thereof caused by the failure of the permittee to locate and construct or alter the same in accordance with the terms of the permit issued or the terms of the aforesaid code, the fee shall be \$100.00.

9.4 The witness fee for inspecting well casing shall be \$100.00.

9.5 The witness fee for observing the sealing and decommissioning of a well shall be \$100.00.

9.6 Only a New Jersey licensed well driller or a New Jersey licensed well pump installer may install a new well pump. A permit will be required to install a well pump in either a new well or an exiting well. The applicant must note the approved individual who will be performing the work. The fee for this permit shall be \$50. After the well has been chlorinated and the chlorine has dissipated, total coliform bacteria test results shall be provided to the Board of Health and kept on file by a State certified laboratory.

9.7 Any relocation, changes, alterations or repairs to a well line must be permitted and inspected by the Department of Health. The fee for this permit will be \$50. This fee includes a total coliform bacteria test, which may be taken by the applicant or the Board of Health, or its representative.

9.8 Any person who violates the provisions of this article shall be subject to a fine not to exceed \$1,000 for each offense and an additional penalty of not more than \$100 for each day the violation continues to exist.

2. This Ordinance shall take effect thirty (30) days after the publication of notice of final adoption as provided by law.
